Serial No

From The Dy of P H
Letter No C52 24 dy 18 2 42
Requests sanction, for the reasons stated, to the an additional grant of Rs 5,555/- out of the W S grants for the current year for the purchase of the machinery required for the electrification of the Arsikere water Supply Work

'S' 1) Cond ref is invited to G O dy 18 4 41 sanctioning an estimate for Rs 14 960/- for the electrification of the Arsikere water Supply Works

2) It is now stated that against the sanctioned provision of Rs 4 500 and Rs 3200 for the Air Compressor and the Pumping machinery respectively, quotations have been received from the SPC for a sum of Rs 8500 (including the cost of erection) and Rs 4 755 (including the cost of accessories) thus resulting in an excess cost of Rs 5,555/- and It is also stated that no savings are expected in the other items of the sd estimate to meet the excess, and that an additional grant to that extent will have to be provided out of the W S grants for the current year

3) In view of the unsettled conditions of the market the Dy E recommends that it is desirable to have the electric sets installed at the waterworks, as early as possible

4) The proposal of the Executive Engineer recommended by the D P H for an additional grant of Rs 5555/- out of the W S grants for the current year is submitted for orders -

It is not clear why the D P H

want to the extra excess of Rs 5555 to be met from Water Supply Grants In view however of the engineering

1 instructions may perhaps be issued for pleasing the orders immediately

2nd on the meanwhile an extract of the D.P.O's letter, with the Executive's remarks pasted thereon may be sent to the D C Kasaan, asking for a Resolution of the Assembly and of agreeing to meet a Moiety of Rs 5555, in extension of the financial order sanctioning the original estimate and also in pursuance of the usual policy

S

The excess of Rs 5555 over the original estimate of Rs 14,960 is very high and works out to 37 percent It is stated that the enquiry are withdrawn and that it is desirable to have electric sets installed as early as possible

3/3

The General Superintendent, Power Scheme may perhaps be requested to furnish his opinion opinion of it is worthwhile to instal the electric sets now, in view of the high cost involved whether the sets could be put in the course of this year

Electrification of Arsikere Water Supply

Adverting to Government Order No L 960-64/41 12-40-11 dated 1-8-1941 sanctioning an estimate for Rs 14,960/- for the above, I have the honour to state that provision is made in the estimate, of Rs 4,500/- for the air compressor unit and of Rs 3,200/- for the pumping unit

The Sanitary Engineer in his letter No 1167 dated 31-1-1942 copy enclosed, reports that as per quotations received, the cost of compressor and motor is Rs 7,495/- and including Rs 1,000/- for erection etc , the total cost will be Rs 8,500/-, that the cost of pumping unit is Rs 3,925/- and including cost of accessories and spare parts, viz , Rs 830/- the total cost will be Rs 4,755/- This will involve an excess of 4,000/- for the compressor unit and Rs 1,555/- for the pumping unit over the provisions already made in the sanctioned estimate

The Sanitary Engineer intimates that no savings are expected under the other items of the estimate and the excess of Rs 5,555/- will have to be provided as extra amount

He is further, of the opinion that owing to the present unsettled condition, it is desirable to have electric sets installed as early as possible

I request you to be so good as to obtain and convey very early sanction of Government to the extra sum of Rs 5,555/- required for

P T O

for the purchase of the machinery out of the reserve under Water Supply grants to enable the purchase of the machinery being effected

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

Letter No 1167 dated 31-1-1942 from the Sanitary Engineer, Bangalore, to the Director of Public Health in Mysore, Bangalore

-- ---

Regarding electrification of Arsikere Water Supply

I have the honour to state that an estimate amounting to Rs 14,960/- was sanctioned for the above work in Government Order No L 960-64 Ll 12 -40-11 dated 13th August 1941 and this estimate provides for a direct coupled air compressor unit and a pumping unit Quotations for the machinery required in this connection were called for through the Secretary, Stores Purchase Committee, Bangalore, and from the quotations received from that office, it is seen that so far as the air compressor unit is concerned, there is only one firm that quote for the compressor and the motor required for the same According to this quotation, the cost will be Rs 7,495/- so that including a sum of about 1,000/- for erection etc , the total cost will be Rs 8,500/- as against Rs 4,500/- provided in the sanctioned estimate

So far as the pumping machinery is concerned, the sanctioned estimate provides a sum of Rs 3,200/- for the purchase of the machinery there are two firms that have quoted for the machinery, and according to the lower tender the cost will be Rs 3,925/-, including for accessories, and spare parts, a sum of 850/- the total will be Rs 4,750/-

Thus, it will be seen that under the air compressor unit, there will be an excess of Rs 4,000/-, while under the pumping unit, there will be an excess of Rs 1,550/-

These excesses cannot be met from the provisions made for any other item since no savings are expected under them, and hence, it will be necessary to provide this extra amount of Rs 4,000/-+Rs 1,555/- = Rs 5,555/-, in order to enable this office to place orders for the machinery through the Secretary, Stores Purchase Committee

At present, there is only one set of machinery at Arsikere and these are oil engine driven sets In view of the present unsettled condition, I feel that it is desirable to have electric sets installed as early as possible I therefore recommend that the extra amount required for the purchase, may kindly be sanctioned and instructions issued immediately to place orders through the Secretary, Stores

Stores Purchase Committee, in anticipation of sanction to the extra fund required
